Canoeing and kayaking

Uganda 1987, Mali 1970, Nicaragua 1975, Sweden 1975
Canoe racing is a classic in all parts of the world.

Nevis 1995, Bahamas 1977, Singapore 1982

The paddler in a kayak, unlike in a canoe, is sitting with his legs stretched and uses a double paddle. In the original kayaks Eskimos would sew their clothing to the boat, making it waterproof, and enabling them to rotate completely under water with a single paddle stroke.

Kiribati 1982

To know how to maintain boats and to repair small problems by oneself is a useful thing.
